How statistics are compiled:

The investigator for the CUA Department of Public Safety is responsible for collecting crime statistics, in cooperation with the D.C. police. The investigator also works with the CUA Office of the Dean of Students, Judicial Affairs, and Ethical Development in collecting the statistics on referrals for campus disciplinary actions, drug abuse, liquor law or weapons violations. The Pontifical John Paul II Institute for Studies on Marriage and Family does not collect its own statistics, relying rather on the statistics of the Catholic University of America for the entire campus community.
